OBITUARY

Martin LaVelle was born near Lou-
isville Ky., of Irish parents, Novem-
ber 13, 1854. He came to Peirce City
in November, 1876, and settled on a
farm four miles south of Peirce City,
where he stayed until he went to
Peirce City to go to firing on the road
for the Frisco. He fired until the di-
vision left Peirce City in 1887 and af-
ter coming to Monett he was promot-
ed to engineer with a run to Fort
Smith, Ark., which position he held
until his death, which occurred in the
Frisco hospital at Springfield after be-
ing overheated in the Monett yards,
which caused acute kidney trouble.
He died August 2, 1916. He leaves a
wife and four children and a lot of
near relations to mourn his untimely
demise. His children are L. P. La-
Velle, a conductor between Springfield
and Thayer; Father John, Irevé Mar-
tin, Jr. All were with him except his
daughter, she living in Salt Lake.
Everybody knew Martin and to
know him was to love him. He was
loved by all. May his ashes rest in
peace.

He leaves two brothers, Ed and
Mike, and three sisters, Mrs. Mary
DeBrosse, of Houston, Tex., Mrs.
Eli DeBrosse of Monett and Mrs. J.
F. Avaro. His sister, Mrs. DeBrosse
of Texas could not attend the funeral
account of poor health.

Dearest brother thou hast left us,
And thy loss we deeply feel
But it is God who has bereft us
He can all our sorrows heal.

CONGRESS QUITS SEPTEMBER 1.

Plan for Adjournment Worked Out by Senate Leaders.

Washington, Aug. 9.—A plan for
adjournment of congress by Septem-
ber 1 was worked out by senate lead-
ers today in a series of conferences
occupying virtually the whole atten-
tion of senators of both parties and to
transforming the opening day of de-
bate on the government ship purchase
bill, which stirred up a bitter fight
when it was pressed two years ago,
into a spiritless discussion among the
corporals guard of members who re-
mained in their places in the chamber.

As a result of the day's maneuvers
submitted to the Republican leaders in
writing a proposal that no important
legislation be taken up at this session
except the shipping, revenue, em-
ployers' liability and appropriation
bills and conference reports with a
view to adjournment by the end of the
present month.

Members of the Republican steering
committee received the proposal favor-
ably.
